If you believe the release of the above-listed documents or subject matter of this request might violate existing rights or protections under State or federal law, or is personal or confidential in nature, legally privileged or otherwise sensitive, you may seek a determination from the Illinois Executive Ethics Commission (“EEC”) relative to such rights or protections. You may assert any existing rights or protections under State or federal law with respect to the request, and such assertions made in good faith do not constitute failure to cooperate with this investigation.

If, in the judgment of the Executive Inspector General, security concerns demand the removal of documents or physical objects, the Executive Inspector General shall issue a subpoena for the immediate seizure and removal of the evidence.
